Subject: WLL coring - request to participate in weekly calls

Dan,

I asked Dan Feezor while I was at the site if there will be any meetings/calls held during the coring work to update on progress. He indicated that there would be weekly update calls, the first being next week Wednesday, and said I should coordinate with you. I am requesting to participate in these conference calls. Please provide call in information.

Thanks,

Shawn Muenks, P.E.
